

Safety & Warranty Guide

Important Safety Information

Keep the phone ("Product") away from dust, water, damp areas, precipitation and humidity. Dust, water, liquids, precipitation and humidity may cause overheating, electrical leakage, and/or Product failure. The Product, battery, charger and AC adapter are not waterproof. Keep them away from liquid, fuels and chemicals. If the Product gets wet, do not place the Product in an oven, microwave or dryer, as this will damage the Product and could cause a fire or explosion.

Only use the battery and charger approved by the manufacturer. Using other brands may cause battery leakage, overheating, explosion or even fire. Do not use the Product where it might cause danger. Do NOT text and drive.

Battery Use

Handle and store batteries properly to avoid injury or damage. Most battery issues arise from improper handling of batteries and, particularly, from the continued use of damaged batteries.

- Do not disassemble, crush, puncture, shred, or otherwise attempt to change the form of your battery.

• Do not let the phone or battery come in contact with liquids.

• Do not place your battery in or near a heat source. Excessive heating can damage the phone or the battery and could cause the phone or the battery to explode.

- Do not dispose of the phone or the battery in a fire.
- Do not handle a damaged or leaking battery.

• Do not allow the battery to touch metal objects.

- Misuse or use of incomplete phones, batteries and charging devices could result in damage to equipment and possible risk of fire, explosion or leakage, leading to serious injuries, damage to your phone or other serious hazards.
- The maximum operating temperature is 40°C.

Note: The battery shall only be serviced by the manufacturer.

CAUTION: Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries in accordance with local regulations.

Cleaning and Maintenance

The Product, the battery and the charger are not waterproof. Do not use them in places with high humidity like a bathroom and also avoid spilling any liquids on the Product, battery or charger. Use a soft cloth to clean the Product, the battery and the charger. Do not use alcohol, diluted liquid or benzene to clean the Product.

Disposal of Product and Batteries

Follow local regulations regarding disposal of mobile devices and batteries. In some areas, the disposal of these items in household or business trash may be prohibited. Please follow your local regulations and recycle Product if required. Batteries must be recycled or disposed of properly.

Certification Information (RoHs)

We at Orbic take our social responsibility seriously and are committed to the cause of serving our environment. It is in keeping with these commitments that we are proud to state that Orbic phones are RoHS compliant.

FCC SAR Warning

This model phone meets the government's requirements for exposure to radio waves.

NOTE 1:

This Product has been tested and found to comply with the limits for

This phone is designed and manufactured not to exceed the emission limits for exposure to radio frequency (RF) energy set by the Federal Communications Commission of the U.S. Government. The exposure standard for wireless mobile phones employs a unit of measurement known as the Specific Absorption Rate, or SAR. The SAR limit set by the FCC is 1.6W/kg. Tests for SAR are conducted using standard operating positions accepted by the FCC with the phone transmitting at its highest certified power level in all tested frequency bands. Although the SAR is determined at the highest certified power level, the actual SAR level of the phone while operating can be well below the maximum value. This is because the phone is designed to operate at multiple power levels so as to use only the power required to reach the network. In general, the closer you are to a wireless base station antenna, the lower the power output.

Only use the battery and charger approved by the manufacturer. Using other brands may cause battery leakage, overheating, explosion or even fire. Do not use the Product where it might cause danger. Do NOT text and drive.

Battery Use

Handle and store batteries properly to avoid injury or damage. Most battery issues arise from improper handling of batteries and, particularly, from the continued use of damaged batteries.

- Do not disassemble, crush, puncture, shred, or otherwise attempt to change the form of your battery.

• Do not let the phone or battery come in contact with liquids.

• Do not place your battery in or near a heat source. Excessive heating can damage the phone or the battery and could cause the phone or the battery to explode.

- Do not dispose of the phone or the battery in a fire.
- Do not handle a damaged or leaking battery.

• Do not allow the battery to touch metal objects.

- Misuse or use of incomplete phones, batteries and charging devices could result in damage to equipment and possible risk of fire, explosion or leakage, leading to serious injuries, damage to your phone or other serious hazards.
- The maximum operating temperature is 40°C.

Note: The battery shall only be serviced by the manufacturer.

CAUTION: Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries in accordance with local regulations.

WHO THIS WARRANTY COVERS

This 12 month limited warranty extends only to the original purchaser of this product within the United States. This warranty is not transferable. This warranty is conditioned upon the proper use of the Product.

For body worn operation, this phone has been tested and meets the FCC RF exposure guidelines for use with an accessory that contains no metal and the positions the handset a minimum of 1 cm from the body. Use of other enhancements may not ensure compliance with FCC RF exposure guidelines. If you do not use a body-worn accessory and are not holding the phone at the ear, position the handset a minimum of 1 cm from your body when the phone is switched on.

IC Warning

Operation is subject to the following two conditions:

- (1) This device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

WHAT THIS WARRANTY DOES NOT COVER

- Warranty claims outside of the Product warranty Period.
- Damage or defects caused by using the Product other than in the normal course.

3. Defects or damages resulting from accidental, misuse, abnormal use, abnormal conditions, improper storage, unauthorized modifications, unauthorized repair, improper installation, or other acts which are not the fault of Orbic.

- 4. Defects or damage resulting from excessive force or use of a metallic object when pressing the touch screen.
- 5. Product with altered, defaced or removed serial number.
- 6. Damage resulting from use of accessories not approved by Orbic.

7. Damage from exposure to moisture, humidity, excessive temperature or extreme environment.

8. Liquid damage due to not properly sealed/locked accessories, ports and/or battery latches of water resistance devices.

- 9. All surfaces and externally exposed parts that are scratched or

damaged due to normal customer use.

WHAT ARE THE PROCEDURES FOR RESOLVING DISPUTES?

ALL DISPUTES WITH ORBIC ARISING IN ANY WAY FROM THIS LIMITED WARRANTY OR THE SALE, CONDITION OR PERFORMANCE OF THE PRODUCT SHALL BE RESOLVED EXCLUSIVELY THROUGH FINAL AND BINDING ARBITRATION, AND NOT BY A COURT OR JURY. Any such dispute shall not be combined or consolidated with a dispute involving any other person's or entity's products or claim and, specifically, without limitation of the foregoing, shall not under any circumstances proceed as part of a class action. The arbitration shall be conducted before a single arbitrator, whose award may not exceed, in form or amount, the relief allowed by applicable law. The arbitration shall be conducted according to the American Arbitration Association (AAA) Commercial Arbitration Rules applicable to consumer disputes. This arbitration provision is entered pursuant to the Federal Arbitration Act. The laws of the State of New York, without reference to its choice of laws principles, shall govern the interpretation of the Limited Warranty and all disputes that are subject to this arbitration provision. The arbitrator shall decide all issues of interpretation and application of this arbitration provision and the Limited Warranty. This arbitration provision also applies to claims against Orbic's employees, representatives and affiliates if any such claim arises from the Product's sale, condition or performance.

NOTE 2:

Orbic or the manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to the Product. Such modifications could void the user's authority to operate the equipment.

ORBIC LIMITED WARRANTY

WHO THIS WARRANTY COVERS

This 12 month limited warranty extends only to the original purchaser of this product within the United States. This warranty is not transferable. This warranty is conditioned upon the proper use of the Product.

WHAT THIS WARRANTY COVERS

Orbic offers you a limited warranty that extends for the first twelve (12) month period to the original purchaser from the date of original purchase with proof of purchase. Without valid proof of purchase, Orbic offers a limited warranty extending fifteen (15) months from the date of manufacture, which is coded on the product label ("Warranty Period").

Should the Product, inbox accessories or any part during normal consumer usage and conditions be proven defective in material or workmanship that results in Product failure, such defect(s) will be repaired or replaced (with new or rebuilt parts) at Orbic's discretion, without charge for parts or labor directly related to the defect.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

- 1. Warranty claims outside of the Product warranty Period.
- 2. Damage or defects caused by using the Product other than in the normal course.

3. Defects or damages resulting from accidental, misuse, abnormal use, abnormal conditions, improper storage, unauthorized modifications, unauthorized repair, improper installation, or other acts which are not the fault of Orbic.

- 4. Defects or damage resulting from excessive force or use of a metallic object when pressing the touch screen.
- 5. Product with altered, defaced or removed serial number.
- 6. Damage resulting from use of accessories not approved by Orbic.

7. Damage from exposure to moisture, humidity, excessive temperature or extreme environment.

8. Liquid damage due to not properly sealed/locked accessories, ports and/or battery latches of water resistance devices.

- 9. All surfaces and externally exposed parts that are scratched or

This Limited Warrant gives you specific legal rights and you may also have other rights that vary from state to state.

exceso de calor puede dañar el teléfono o la batería y podría hacer que el teléfono o la batería exploten.

10. All software, including operating system software, third-party software, applications, and all other software of any kind.

11. Damage caused by ordinary wear and tear of the Product.

12. Customer abuse or other physical abuse or mistreatment of a Product as evidenced by:

- a. Missing required faceplate;
- b. Damaged LCD or Touch Lens (e.g., the product is either broken, cracked, smashed, bleeding, etc.);
- c. IMEI is unreadable electronically or due to missing or altered serial number, IMEI and/or reliance date label so as to affect readability;
- d. Missing keys on keypad beyond normal wear and tear;
- e. Unapproved Product modification;
- f. Visible Product surface physical damage resulting in product being smashed, chewed, gouged, burned or melted;
- g. Liquid damage as evidenced by submission in liquid or any other evidence of liquid ingress, including corrosion of any of the connections and noticeable excessive residue.

Limpieza y mantenimiento

El Producto, la batería y el cargador no son resistentes al agua. No los utilice en lugares con mucha humedad como un baño y evite derramar cualquier líquido sobre el Producto, batería o cargador. Utilice un paño suave para limpiar el Producto, la batería y el cargador. No utilice alcohol, líquido diluido o benceno para limpiar el Producto.

Desecho del Producto y las baterías

Respete las regulaciones locales relativas al desecheo de dispositivos móviles y baterías. En algunos lugares, el desecho de estos artículos están sujetos a la basura doméstica o de comercios. No utilice alcohol, líquido diluido o benceno para limpiar el Producto.

HOW TO GET WARRANTY SERVICE

To obtain warranty service, please call the following telephone number from anywhere in the continental United States: 1-877-872-4555

Por favor, respete las regulaciones locales y recicle el Producto si las baterías requeridas deben reciclarse o desecharse adecuadamente.

Información de certificación (RoHS)

En Orbic nos tomamos nuestra responsabilidad social muy en serio y tenemos un compromiso con la causa de servir al medioambiente. En consonancia con estos compromisos tenemos el placer de afirmar que los teléfonos Orbic cumplen con la directiva RoHS.

Información importante sobre seguridad

Mantenga el teléfono [el "Producto"] alejado del polvo, agua, zonas húmedas, lluvia y humedad. El polvo, el agua, los líquidos, la lluvia y la humedad podrían provocar recalentamiento, fuga de corriente y/o fallas en el Producto. El Producto, batería, cargador y adaptador de CA no son resistentes al agua. Manténgalos alejados de líquidos, combustibles y productos químicos. Si el Producto se moja, no lo coloque dentro del horno, microondas o secador; esto dañaría el Producto y podría provocar un incendio o explosión.

Este teléfono está diseñado y fabricado para no superar los límites de emisión de exposición a la energía de radiofrecuencia (RF) establecidos por la Comisión Federal de Comunicaciones (FCC).

IC SAR

Cabeza SAR : 0.98 W / kg.

SAR de cuerpo : 1.43 W / kg

Declaración FCC

Este Producto cumple con la parte 15 de las Reglas FCC. El uso está sujeto a las siguientes dos condiciones:

- (1) Este Producto no debe causar interferencias dañinas, y

- (2) Este Producto debe aceptar las interferencias recibidas, incluidas las interferencias que puedan causar un funcionamiento no deseado.

NOTA 1:

Se ha comprobado que este Producto cumple con los límites de dispositivo digital Clase B, de conformidad con la parte 15 de las Reglas FCC. Estos límites están diseñados para proporcionar protección razonable contra interferencia en una instalación residencial. Este Producto genera, utiliza y puede irradiar energía de radiofrecuencia y si no se instala y utiliza de acuerdo con las instrucciones, podría causar interferencia dañina en las comunicaciones por radio. Sin embargo, no se puede garantizar que dicha interferencia no ocurra en una instalación determinada. Si el Producto ocasiona interferencia dañina en la recepción de radio o televisión, lo cual puede determinarse al apagar y encender el

informó a la FCC al ser probado para el uso sobre el oído es 0.96 W/Kg y al utilizarlo en el cuerpo, como se describe en esta guía de usuario, es 1.43 W/Kg (Las mediciones de utilización en el cuerpo difieren según el modelo de teléfono, dependiendo de los accesorios disponibles y los requisitos de la FCC).

Aunque puede haber diferencias entre los niveles de SAR de varios teléfonos y en diversas posiciones, todos cumplen con el requisito del gobierno.

La FCC ha concedido una Autorización de Equipo para este modelo de teléfono con todos los niveles de SAR informados que se evalúan conforme a los lineamientos de exposición a la RF de la FCC. La información sobre SAR de este modelo de teléfono se encuentra archivada en la FCC y puede encontrarse en la sección "Display Grant" [Mostrar Permiso] en <http://www.fcc.gov/oet/fccid> después de buscar en FCC ID: 2ABGH-RC503L

Al usar junto al cuerpo, este teléfono ha sido probado y cumple con los lineamientos de exposición a la RF de la FCC para el uso con un accesorio que no contenga metal y posicionando los auriculares a una distancia mínima de 1 cm del cuerpo. El uso de otros accesorios podría no garantizar el cumplimiento de los lineamientos de exposición a la RF de la FCC. Si no emplea un accesorio para utilizarlo en el cuerpo y no sujetela teléfono junto al oído, coloque los auriculares a un mínimo de 1 cm de su cuerpo cuando el teléfono esté encendido.

Advertencia IC

La operación está sujeta a las dos condiciones siguientes:

- (1) Este dispositivo no puede causar interferencias y
- (2) Este dispositivo debe aceptar cualquier interferencia, incluidas las interferencias que puedan provocar un funcionamiento no deseado del dispositivo.

Los cambios o modificaciones no aprobados expresamente por la parte responsable del cumplimiento podrían anular la autoridad del usuario para operar el equipo.
